The Brown County Parks Department is proud to work with several outstanding approved caterers. Each caterer brings something different and unique. These approved caterers have intimate knowledge and expertise of our facilities which will help make your event truly special. Please directly contact the listed approved caterer of your choice to arrange all food and beverage services for your event. A complete list of caterers approved by the Brown County Parks Department can be found on the back of this flyer.

**Catering does not include drop-off service from nearby restaurants (pizza, subs, etc.).** Renters ordering and paying for delivery AND consuming the delivered food within one hour of the delivered time, would be considered as a drop-off service and not considered catering. Catering also does **not** include casual food items like deli trays, ready-to-eat sandwich platters, bulk coffee, etc. purchased and picked up at a store or restaurant. These casual food items must be brought to the rental facility by the renter/renter’s family and not by a food service provider. Also, these casual food items must not require on-site setup or service.

**IMPORTANT:** The Brown County Parks Department requires the renter to notify the park office with their selected approved caterer 2 weeks prior to the event.

**Catering Within Pamperin Park & Reforestation Camp**

The Brown County Parks Department is proud to work with several outstanding approved caterers. Each caterer brings something different and unique. These approved caterers have intimate knowledge and expertise of our facilities which will help make your event truly special. Please directly contact the listed approved caterer of your choice to arrange all food and beverage services for your event. A complete list of caterers approved by the Brown County Parks Department can be found on the back of this flyer.

**Additional Information:**

Catering is defined as a food service that meets at least one of the following:

* The food/beverages being served is prepared and transported by a licensed restaurant, caterer or other food service provider.
* The food/beverages requires setup and/or on-site service (such as chafers, sterno, pig roasters, beer trailers, banquet attendants, servers, etc.).

Catering does **not** include drop-off service from nearby restaurants (pizza, subs, etc.). Renters ordering and paying for delivery **AND** consuming the delivered food within one hour of the delivered time, would be considered as a drop-off service and not considered catering. Catering also does **not** include casual food items like deli trays, ready-to-eat sandwich platters, bulk coffee, etc. purchased and picked up at a store or restaurant. These casual food items must be brought to the rental facility by the renter/renter’s family and not by a food service provider. Also, these casual food items must not require on-site setup or service.

**IMPORTANT:** The Brown County Parks Department requires the renter to notify the park office with their selected approved caterer 2 weeks prior to the event.
